

Visit the Emerald City of the Northwest!

Spend Oct. 29 through Nov. 1 with periodontal educators, researchers, clinicians, and residents from around the world for a weekend of collaboration, learning, and fun!

Here are just a few of the many things taking place at the meeting:

AAP Foundation

Advocacy. Research. Education.

Don't miss these AAP Foundation highlights at the Annual Meeting:

Booth and Silent Auction

Swing by to learn about the AAP Foundation's mission, grab fun giveaways, snap a selfie, and bid on a variety of unique silent auction items—right from your phone. It's fun, easy, and all for a great cause!

Future Horizons in Periodontology Saturday, Oct. 31

Explore emerging science at the intersection of periodontics and orthodontics through presentations from AAP Foundation award recipients Drs. Vrushali Abhyankar and Guo-Hao "Alex" Lin. This session will examine surgical approaches to accelerating tooth movement and the evolving role of periodontists in interdisciplinary orthodontic treatment planning and care.

Practice Transition, Retirement, and Estate Planning Breakfast Saturday, Oct. 31

Enjoy a morning of valuable insights as a financial expert and experienced estate planning attorney break down the essentials of building your financial future.

Proudly sponsored by Treloar & Heisel, Inc.

ADA CERP

**The American Academy of Periodontology is an ADA CERP®
Recognized Provider.**

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at CCEPR.ADA.org.

Attendees can earn up to 30.25 continuing education (CE) credits.
